## RETURNS

The following items were returned for the stated reasons:

**Kateryne Ferneley.** Device. Per chevron vert and argent, two cats sejant guardant contourny and a fern frond counterchanged. Unfortunately, the Laurel staff returned this device for conflict with Myfanwy ferch Briana (“Per chevron throughout vert and argent, two compass stars and a pine tree counterchanged.”) ruling that because of the wide range of period stylizations of trees, they would not consider the change of type from a pine tree to this depiction of a fern frond to be substantial enough to carry the two devices clear. (In other words, there was only one difference for change of type of primary charge as all the charges were not “substantially” changed.)

**Rose Galen.** Badge. (Fieldless) On a rose Or barbed vert a compass star purple. Unfortunately, the Laurel staff returned this badge for conflict with the badge of Ragnell Gry (“Purpure ermined argent, a double rose Or and purple, barbed and seeded proper.”), citing a precedent that states that the second layer on a double rose is to be considered against tertiary charges on a rose.

Your servant,

**Alisoun**
